Liz Edwards	Co-Opted Governor
Brenda Baker	Parent Governor
Tristan Humphreys	Staff Governor
Diyan Gunasekera	Associate Member

In Attendance - Jess Russ – Deputy Headteacher (DHT)
Alison Harvey – Clerk

Meeting is Quorate

Item		Action
1.	**Welcome, Apologies for Absence and advance notice of AOB** Rosemary Hafeez – stepping down for now due to workload.	
2.	**Declarations of business interests** None	
3. **3.1**	**Minutes of TLC Committee Meeting held on 23rd October, 2025 (**document circulated ahead of meeting) Agreed. Clerk to ask Chair to sign off on minutes, provide copy and file.	 **Clerk**
4. **4.1**	**Review of Actions arising from TLC Committee Meeting held on 23rd October 2025** Chair reminded the meeting that the Clerk is dealing with confidential and sensitive information and the need to handle this confidentially.	

4.2	It was agreed that the Clerk would create profiles for Governors and manage documents through Governor Hub and support Governors obtaining access. It is also possible to maintain Governor Training and use the Hub as a communication centre for all Governors. Sensitive documents will be identified and given a password protection. The calendar for meetings will be utilised and all documents for meetings will be filed into folders with appropriate access.	**Clerk**
4.3	The FHFC Policy will be reviewed at the next FGB Meeting.	**All**
4.4	The Clerk's email is now monitored by the new Clerk and is now up to date.	
5.	**Autumn Term SIP Report (**document circulated ahead of meeting)	
5.1	HT gave an update on the new framework that can help Governors better understand reports. The focus is behaviour and attendance and will be listed together. The attendance numbers may drag down the overall grade as it has fluctuated. If the grading is low, there is a need to work out how to communicate to parents. Chair asked HT if there is a summary available.	
5.2	A document to show the percentage of SEND and Attendance will be made available to Governors. This will be useful for comparison.	**HT**
5.3	Governors need to explain what they are doing in school. i.e case studies, reward system when children do well and log examples. There is a need to show as Governors that we are thinking out of the box.	
5.4	**HT was asked what does the new framework mean for us as Governors?** HT said that the main thing that came from the SIP Report was the new framework requirement so reporting to populate it was very important. School may need to focus on "nitty gritty" in order, to keep lead Governors aware.	
6.	**SDP Priority: KS2 Attainment (**document circulated ahead of meeting)	
6.1	DHT advised Governors that it was a similar profile to last year. 64 children and one child with EHCP to sit SATS test. No other children at this point to sit the tests.	

6.2	Strong progress is shown and all targets have been set higher than last year and there will be a range on expected targets.	
6.3	DHT advised she is now taking a cusp writing group daily and the Phase Leader is reporting to SLT every 2 weeks. Data meetings are scheduled to be held after mock SATS.	
6.4	Governors advised that there is a supply teacher in Year 6 until end of Spring term. They are doing afternoon reading intervention to maintain consistency.	
6.5	Maths intervention was being maintained 3 afternoons per week.	
6.6	Governors discussed whether it was too much for children to manage SATS. HT told Governors about an invitation and visit to Kings College School, Wimbledon to invite children with PPG to a Saturday school which Kings College would run online.	
6.7	Governors discussed whether parents with children not PPG could feel disgruntled if they found out this opportunity was exclusive to specifically designated pupils and not all.	
6.8	DHT advised Governors of International Dyslexia Learning Solutions (IDL) learning intervention online tool used for specific SEND or just above in English and Maths.	
7.	**Headteachers Report (**HT report circulated ahead of meeting) HT gave his presentation supported by DHT.	
7.1	Governors asked what happens when education welfare monitors access and learning for a child taken out of school.	
7.2	Overall numbers in school have increased to 76% of capacity.	
7.3	HT advised the school has community links with Kingston Grammar who are offering sports coaching one day a week. Year 5 pupils have been invited to join a classics workshop.	
7.4	Reception places for September 2026 are showing 34 first choice for local parents. HT is working with the local authority to keep a one form entry.	
7.5	Attendance has been lower around Christmas holidays and just before half terms and the school is working hard to better manage these stats.	
7.6	HT advised Governors that the seedling programme could be	

	better funded to have a Key Stage 2 provision like Blossom programme.	
7.7	EHCP numbers were discussed as the numbers have jumped up. In terms of school capacity, an EHCP child joining could have funding in place, but it is not automatic.	
7.8	New Reception children in September. Numbers are unknown of how many children with EHCP needs are applying. KS2 children will share their outdoor space but they will have a separate classroom with a teacher to meet their needs. Governors discussed funding from AfC to better equip and provide facilities for EHCP children.	
7.9	DHT advised Governors that a lot of children cannot swim by the time they have reached Year 4. Coombe Hill School may be a possible venue and HT is investigating options.	
7.10	A Governor asked how intervention is reported and HT will put this information into his HT Report going forward to keep Governors appraised.	**HT**
8.	**Governor Monitoring Reports:**	
8.1	**Phonics**	
8.1.1	KJ is schedule to visit the school during the Summer Term and will report when completed.	**KJ**
8.2	**RE**	
8.2.1	JG is scheduled to complete a visit and report in the Summer Term.	**JG**
8.3	**EYFS**	
8.3.1	BB waiting to see availability and will report in the Summer Term.	**BB**
8.4	**SEND**	
8.4.1	LE reported that she had completed a visit. She found a lack of time in the school day but clear evidence of managing well. There are challenges with KS2 around time out intervention. The report is being shared with Governors.	
8.4.2	LE has also completed a Geography Visit and will send this to the Clerk for circulation in the Spring Term.	**LE/Clerk**

8.5 **8.5.1**	**Maths** Chair advised that there was a focus on Year 2 due to SEND. KS2 monitoring needs to be a priority and what was being done to link priorities for school.	
9. **9.1** **9.1.1** **9.1.2**   **9.2** **9.2.1** **9.2.2**

11.	**Any other business** **None**	
12.	**Date of Next Meeting – 24th May 2026**	

Signed ……. Dated ……

ACTIONS ARISING

Item	Action	By Whom	By When	Completion Date
3.1	Agreed. Clerk to ask Chair to sign off on minutes of 23/10/25, provide copy and file.	**Clerk**	**28/02/2026**	
4.2	Support Governors with Governor Hub set up and utilisation.	**Clerk**	**6/3/2026**	
4.3	The FHFC Policy will be reviewed at the next FGB Meeting.	**All**	**12/03/2026**	
5.2	HT – A document to show the percentage of SEND and Attendance will be made available to Governors. This will be useful for comparison.	**HT**	**5/03/2026**	
7.10	A Governor asked how intervention is reported and HT will put this information into his HT Report going forward to keep Governors appraised.	**HT**	**05/03/2026**
